

HSRP LONG BEACH/LA MEETING

April 8-10, 2015, Long Beach, CA

Hydrographic Services Review Panel

The Hydrographic Services Review Panel (HSRP) is a Federal Advisory Committee to the National Oceanic and Atmospheric Administration (NOAA) and will convene a public meeting on April 8-10, 2015, at the Hilton Long Beach, focused on the Long Beach/Los Angeles (LA), California areas. The Panel will meet to present and discuss NOAA's hydrographic services and matters that affect marine transportation, safe navigation, commercial shipping, ocean and coastal stewardship, coastal and marine spatial planning, recreational boating, and ocean policy for the Long Beach and LA region and for California.

The public and stakeholders are encouraged to attend, listen, and express view points to the Panel members and NOAA during public comment periods. For those unable to attend in person, there is advance sign-up to join a webinar and a sign up form will be provided on the website below. Comments can be submitted: 1) In advance to Hydroservices.panel@noaa.gov 2) in person during the public comment period; or 3) Online during the webinar. For the agenda, to sign up for the webinar, to send comments, and further information on the HSRP, please visit:
