Plan to log in at least 15 minutes in advance to allow the updates to be installed and for trouble shooting as necessary.

## PURPOSE

The HSRP is a Federal Advisory Committee that provides NOAA with independent advice on improving the quality, efficiency and usefulness of NOAA's hydrographic services portfolio and navigation-related products, data and services. The HSRP advises the NOAA Administrator about its navigation (surveys, nautical charts), physical oceanographic (tides and water levels), geospatial positioning, shoreline programs, products and services.
