

HSRP DETROIT PUBLIC MEETING

The Hydrographic Services Review Panel (HSRP) is a Federal Advisory Committee to the Administrator of the National Oceanic and Atmospheric Administration (NOAA) and will convene a public meeting on September 24 to 26, 2024, in Detroit, Michigan—please join us.

Eastern Daylight Time

Date and Time		
September 24, 2024		9:00 a.m. to 5:30 p.m.
September 25, 2024		8:30 a.m. to 12:00 p.m.
September 26, 2024		8:30 a.m. to 4:30 p.m.

Place | Detroit Wayne County Port Authority, Waterview Loft room • 130 Atwater Street • Detroit, Michigan 48226

Please RSVP

This is a public meeting and we would appreciate knowing that you will attend for planning needs. To attend in person, advance registration is requested. Seating is first come, first served. Please register in advance here – <https://forms.gle/579v1mPMqtL29Epx5>

Public Comments

Advance PUBLIC COMMENTS for HSRP members are encouraged by September 23, 2024 and in real-time during the webinar. Comments should address the topics of the meeting and NOS's navigation, observations and positioning services, data and products, and be no longer than three minutes. The comments will be shared with HSRP members in advance and during the meeting, and will be included in the meeting record. Please email letters, comments, and requests to be added to the mailing list for announcements to: Hydroservices.panel@noaa.gov.

Webinar

Please plan to log in at least 15 minutes in advance to allow updates to be installed and for trouble shooting as necessary. Register in advance for the webinar here – <https://attendee.gotowebinar.com/register/3166332242100530012>

Purpose

The HSRP is a federal advisory committee that provides NOAA with independent advice on improving the quality, efficiency and usefulness of NOAA's hydrographic services portfolio and navigation-related products, data and services. The HSRP advises the NOAA Administrator about its navigation (surveys and nautical charts), physical oceanographic (tides and water levels), geospatial, positioning, shoreline programs, products and services.
