HSRP ST. PETERSBURG PUBLIC MEETING

The Hydrographic Services Review Panel (HSRP) is a Federal Advisory Committee to the Administrator of the National Oceanic and Atmospheric Administration (NOAA) and will convene a public meeting on March 4 to 6, 2025, in St. Petersburg, Florida—please join us.

		Eastern Standard Time
Date and Time	March 4, 2025	9:00 a.m. to 5:30 p.m.
	March 5, 2024	8:30 a.m. to 12:00 p.m.
	March 6, 2024	8:30 a.m. to 4:30 p.m.
Place	Hilton Bayfront Hote	el, St. Petersburg Ballroom • 3

Please RSVP

This is a public meeting and we would appreciate knowing that you will attend for planning needs. To attend in person, advance registration is requested. Seating is first come, first served. Please register in advance here https://docs.google.com/forms/d/13d8nSAmH1V5tELbrineOpU3XLoh8zOqU7OttmRWk-h0/edit

Public Comments

Advance PUBLIC COMMENTS for HSRP members are encouraged by February 28, 2025 and in real-time during the webinar. Comments should address the topics of the meeting and NOS's navigation, observations and positioning services, data and products, and be no longer than three minutes. The comments will be shared with HSRP members in advance and during the meeting, and will be included in the meeting record. Please email letters, comments, and requests to be added to the mailing list for announcements to: <u>Hydroservices.panel@noaa.gov</u>.

Webinar

Please plan to log in at least 15 minutes in advance to allow updates to be installed and for trouble shooting as necessary. Register in advance for the webinar here – https://register.gotowebinar.com/register/5596091316541057367

Purpose

The HSRP is a federal advisory committee that provides NOAA with independent advice on improving the quality, efficiency and usefulness of NOAA's hydrographic services portfolio and navigation-related products, data and services. The HSRP advises the NOAA Administrator about its navigation (surveys and nautical charts), physical oceanographic (tides and water levels), geospatial, positioning, shoreline programs, products and services.
