

HSRP JUNEAU PUBLIC MEETING

The NOAA Hydrographic Services Review Panel (HSRP) is a Federal Advisory Committee that advises the Administrator of the National Oceanic and Atmospheric Administration (NOAA) and will convene a public meeting on August 28-30, 2018, in Juneau, Alaska. The meeting will focus on broad issues related to hydrographic and navigation services of local, regional and national importance for Alaska and the U.S. Arctic region.

The Panel will meet to present and discuss NOAA's navigation services and matters that affect marine transportation, safe navigation, commercial shipping, tides and currents, hydrographic surveying, geodesy and GIS, recreational boating, and other topics. Times and speakers are subject to change—please refer to the website for changes.
