To Whom It May Concern,

The Seward Chamber of Commerce, CVB represents 405 members that account for just under 4,000 employees at peak season. Our mission is to promote and support our members in maintaining a diversified economy and positive business and living environment in the greater Seward area.

We are writing this letter of support because Resurrection and Aialik Bays are becoming increasing popular destinations and updated charts would be beneficial.

Thank you for your time and consideration of this request.

On behalf of the Seward Chamber of Commerce, CVB Board of Directors, I am sincerely,

Cindy Clock,
Executive Director
