

HSRP WASHINGTON, DC PUBLIC MEETING

The Hydrographic Services Review Panel (HSRP) is a Federal Advisory Committee to the National Oceanic and Atmospheric Administration (NOAA) and will convene a public meeting on September 16-18, 2015, in Silver Spring, Maryland. The meeting will focus on issues of national importance to discuss NOAA's hydrographic services and matters that affect marine transportation, safe navigation, commercial shipping, ocean and coastal stewardship, coastal and marine spatial planning, geospatial data, recreational boating, balancing coastal intelligence and coastal resilience, emerging Arctic priorities and other topics. Meeting information is at http://www.nauticalcharts.noaa.gov/ocs/hsrp/meetings_washingtondc.htm.

Public Comments:

The public and stakeholders are welcome and encouraged to attend, listen and express view points to the Panel members and NOAA in advance and during public comment periods, September 16-18, 2015. Comments can be submitted in advance via email to Hydroservices.panel@noaa.gov. Please use the subject line *Provide HSRP Comments* when sending comments.

Webinar:

Please sign-up to join the webinar when the public meeting is in session. All participants should join 15-20 minutes early to test connectivity and for possible trouble shooting. Once the meeting has started, staff will be running the webinar and cannot trouble shoot for participants. After registering, you will receive a confirmation email containing information about joining the webinar.
