

Precision Marine Navigation Virtual Workshop

September 30
October 1

9:00 a.m. - 4:00 p.m. EDT
9:00 a.m. - 2:00 p.m. EDT

NOAA's Precision Marine Navigation Program is hosting its second annual Stakeholder Workshop.

This year's workshop will provide a progress update on the program, demonstrate prototype data, and host discussions to obtain feedback from partners and users across the navigation community.

Please register in advance by [clicking here](#).

Feel free to share this open invitation with your colleagues.
