Chapter 5, Paragraph 62, read:

(Menemsha Creek, on the northwestern shore of Martha’s Vineyard and about 3 miles eastward of Gay Head Light, is entered from Menemsha Bight through a dredged channel that leads southeastward to Menemsha Basin, on the north shore just inside the entrance. From the basin, the dredged channel continues southward through the creek to Menemsha Pond, about 1 mile above the entrance. The entrance to the creek is protected by jetties marked by lights. A lighted bell buoy, about 300 yards northwestward of the east jetty, marks the channel approach, and buoys and daybeacons mark the channel. The channel south of Menemsha Basin is reported to shoal rapidly after dredging; mariners are advised to seek local knowledge before attempting to go beyond Menemsha Basin.
